

PS 56Q SCHOOL SPOTLIGHT

THE HARRY
EICHLER SCHOOL
RICHMOND HILL

Mothers Helping Mothers

PS 56Q in Richmond Hill is offering a special four-week crochet class for beginners. In this program, each Wednesday morning, PS 56Q's Mothers Helping Mothers, provides the opportunity to learn basic crochet terminology, the single crochet stitch, the double crochet stitch and important techniques, while having fun in the process. Supplies are provided for free.

The program is run in small groups so that mothers can work at their individual pace and with the help and support from more experienced crocheters. Classes are fun and relaxing, and coffee and bread are always provided.
